Why partner with HunterNet Career Connections

HunterNet Career Connections

Recruitment

Expertly source and recruit Trainees and Apprentices tailored to your specific needs. We find the right candidates who are eager to learn and grow within your organisation.

Inductions

Facilitate thorough inductions to integrate your new employee seamlessly into your company culture. We provide comprehensive orientation programs to ensure a smooth start for every new hire.

Contracts Administration

Handle all administrative aspects of contracts, ensuring compliance and accuracy throughout the employment lifecycle. From initial agreements to renewals, we've got it covered.

Training Coordination

Ensure seamless integration of training programs by coordinating schedules, resources, and participant progress. We manage logistics so you can focus on developing your talent.

Safety & Wellbeing

Prioritise the health and safety of your new Apprentice or Trainee with comprehensive safety protocols and wellbeing initiatives. We create a secure environment where everyone can thrive.

Mentoring

Provide dedicated mentorship programs to support Trainees and Apprentices throughout their journey. Our Workforce Development Officers offer guidance and encouragement to foster professional development.

Performance Management

Implement effective performance management strategies to maximise productivity and growth. We assess performance, provide feedback, and support ongoing development to achieve organisational goals.

Payroll and Insurance

Handle payroll processing and insurance matters efficiently and accurately. Our streamlined services ensure timely payments and comprehensive coverage for peace of mind.

HunterNet Career Connections

Future proof your Business

HunterNet Career Connections sources apprentices and trainees for businesses in the Hunter region.

We manage recruitment, placement, mentoring, and performance reviews on your behalf, partnering with major local companies across diverse industries.
