Mandatory Sustainability Reporting

Climate Change (Net Zero Future) Act 2023 No 48

[2023-48]

New South Wales

Legislation

Status Information

Currency of version

Current version for 31 October 2024 to date (accessed 10 June 2025 at 10:27)

Legislation on this site is usually updated within 3 working days after a change to the legislation.

Provisions in force

The provisions displayed in this version of the legislation have all commenced.

Responsible Minister

- Minister for Climate Change

For full details of Ministerial responsibilities, see the [Administrative Arrangements \(Minns Ministry—Administration of Acts\) Order 2023](#).

Authorisation

This version of the legislation is compiled and maintained in a database of legislation by the Parliamentary Counsel's Office and published on the NSW legislation website, and is certified as the form of that legislation that is correct under section 45C of the [Interpretation Act 1987](#).

SPEECH

Start preparing now: Early ASIC guidance on the mandatory climate disclosure regime

Keynote speech by ASIC Chair Joe Longo at the Deakin Law School International Sustainability Reporting Forum, 22 April 2024.

Published 23 April 2024

KEY POINTS

- As we move to join the ever-growing ranks of jurisdictions with mandatory climate disclosure, entities should start putting into place the systems, processes and governance practices that will be required to meet new climate reporting requirements.
- As with any new regulatory regime, ASIC will take a pragmatic approach to the supervision and enforcement of the regime, and we will develop and issue guidance to
