

OPPORTUNITY TO PROVIDE FEEDBACK

This year we are working on developing the **University of Newcastle's next Strategic Plan**, which will come into effect in **2026**.

The plan will build upon the University's commitment to serving its communities and delivering high impact research for our region as well as an exceptional student experience.

Involving industry representatives is crucial to the success of this process.

Scan the QR code below and fill out the survey to help us shape our strategic initiatives

Let's also take this opportunity to reflect as a group on the following questions:

How can we enhance our contribution to solving what matters for our regions?

How can we make our engagement approach more inclusive and impactful?

How can we grow industry, government, and community partnerships?

Where can I find out more about the University's strategic plan?

Information on our current strategic plan can be found on our website at www.newcastle.edu.au/our-uni/strategic-plan
